In pairs, look up the bold words below in a dictionary.

Look out for words with a silent k or a silent h in the procedure below.

What you will need:

	1	cup	flour	я	1	cup	of	milk
-								
	1							of butter

1 banana

" 1 egg

a knob of butter

a handful of strawberries

Steps:

1. First, put the flour, the egg and the milk into a big mixing bowl.

" hone

STOP

2. Then, whisk them together until you get a smooth batter. Make sure there are no lumps.

3. Leave the batter to one side for an hour.

4. Add a knob of butter to a hot frying pan and allow it to melt.

5. Next, pour a little batter onto the pan. Then, flip the pancake to cook the other side.

6. Use a knife to slice a banana and some strawberries. Place these on the cooked pancake.

7. Serve straight away with a drizzle of honey.

In your copy, go investigate. What do you need to make pancakes?

2. How many cups of milk do you need?

3. How much honey do you need?

What three ingredients should you add to the bowl first?

5. For how long should you leave the batter to one side?

6. How should the batter look after you have whisked it?

B In your copy, give your opinion.

- 1. Why does the butter melt in the pan?
- 2. Why must you flip the pancake?
- 3. Do you think you would need an adult to help you? Why?
- 4. Why do you think you should serve the pancakes straight away?
- 5. What else could you serve with pancakes to make them a healthy choice?

C Oral language: Find the hidden object game 🥦

The first pupil should wait outside the classroom door while the rest of the class choose a hiding place for an object. When the first pupil returns to the classroom, a second pupil must give instructions using 'bossy' verbs to help him or her find the hidden object.

Next, the second pupil should give two instructions using time words, for example: "First, walk to the whiteboard. Then, turn left."

walk turn find go sit crawl under jump over pass the
